Empowering the Heart to Make a Difference: Detect. Correct. Protect

January 20, 2020

Dear Federation Friend,

You are cordially invited to the Winter Executive Board Meeting of the GFWC-Mississippi Federation of Women's Clubs, Inc., and Judging Day Saturday, February 22, 2020, at our beautiful Headquarters located at 2407 North State Street, Jackson, MS. Please note the following:

1. Please make every effort to attend the board meeting. As part of the State Executive Board, your presence is very important. These meetings allow you to represent your local club while also providing pertinent information for you to take back home.
2. Dress will be casual. Please wear anything red.
3. Judging Day: With respect to your busy schedule, we will continue to combine judging day and winter board meeting. However, to allow ample time to study reports and score using the new scorecard, Vice President Theresa Buntyn will copy and deliver the reports to both the chairman and assistant chairman in each reporting area the week before judging day. With two chairmen for each area, representing two separate districts, we are confident that our chairmen will be better informed and prepared in the area for which they will be judging.
4. District Presidents are expected to stay until all reports have been judged and all district packets completed. It is imperative that you get your district packet as it contains the information necessary to complete your award books and announce your district winners and District Club of the Year at your upcoming convention.
5. Headquarters will be available for lodging on Friday night, however, please let us know so that we may plan accordingly.

To register for the Board Meeting, please complete the attached registration form and return to Terrie Whitehurst **postmarked** no later than **February 11, 2020**. If you wish to pay electronically, you will need to scan your registration to Terrie and call me to pay with your card.

In Federation love,
Becky
